

COMPANY NAME

McLellan and Partners Ltd

Brief company overview

Formed in 1927, today McLellan is active in all areas of industry, commerce and all types of buildings delivering energy solutions to meet the needs of our clients.

McLellan operate in the UK and worldwide. UK offices are in West Byfleet, Surrey and Bridgend, S Wales.

Power projects include thermal power generation by steam, gas turbine and reciprocating engines in open cycle or CCGT/CHP configurations; biomass, biogas and landfill gas projects.

Electrical system works include design for connection and integration of all types of electrical power generation.
